

We're paying our taxes...

Why are vital services being cut?

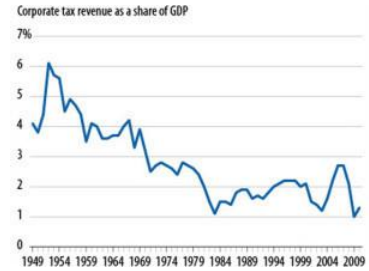

Meals on Wheels, Head Start, Housing, Education, Fuel Assistance, Unemployment, Health Programs, AIDS Housing, family violence prevention,... and they want to cut much more.

But there is an alternative.

End Corporate Tax Breaks!

Very high income people and giant corporations get hundreds of billions of dollars a year in tax breaks through loopholes and offshore tax shelters. (Chart: Corporate tax revenue as share of GDP 1949-2009) Some of the biggest tax loopholes are used by military contractors like GE and Boeing, lots of energy companies, and Verizon.

And

Redirect Pentagon Spending to Jobs and Vital programs for People

Pentagon spending is greater than the war spending of the next 10 biggest powers combined. Much of it funds destructive wars like Iraq, wasteful weapons systems like the F-35, and keeping us in Afghanistan for years to come.

Join us on Tax Day, Monday, April 15, and say: Stop the Cuts!
